Spring 2015

A MESSAGE FROM MAYOR RALPH A. SCORDINO

Spring at last and time to bury the snow shovels in the back of the garage. A record 15 winter storms and many days of frigid weather challenged our Village resources and budget. My sincere kudos to all our Babylon Village maintenance, sanitation and DPW crews who worked tirelessly throughout the winter ensuring our roadways, sidewalks and municipal parking lots were as safe and accessible as possible. It was overwhelming at times. Brutal winters take a real toll on Village amenities but be assured that our beautiful parks, playgrounds, docks, boat berths, golf course and pool are ready for all residents to enjoy. Crews will continue to work diligently to repair potholes and other winter problems while beautification projects, perhaps delayed because of the weather, will continue until completed. The E. Donald Conroy Golf Course is in excellent condition and open for play and the Village Pool is in better shape than ever and will open for the season on June 26. Three Boy Scout Eagle Projects have replenished the beach grass on both the east and west sides of the pool and I'm happy to report the pool and its landscaping has been restored to its pre-Superstorm Sandy condition, ready for all to enjoy. While we are constantly making progress recovering from the 2012 storm, there is still more to do. In mid-May, New York Rising will begin to auction off the unsalvageable properties that remain throughout the Village to contractors for the purpose of new constructions. Auctions will be ongoing.

Signs of spring abound throughout Babylon Village. Our annual Little League Parade was held April 18th and offered a great opportunity to get outdoors after the long winter and support our local teams. Our playing fields are in great shape thanks to Skip Gardner and our local Little League volunteers. Stroll down any afternoon and catch some of the action. Our village is one of Long Island's most picturesque and I urge all our residents to enjoy its beauty and many activities. We've worked hard through the years to create a pedestrian-friendly, safe and walkable community for residents and visitors. Take a stroll through our vibrant downtown, visit the Sunday Farmer's Market beginning in June, shop locally and enjoy the numerous entertainment and recreation opportunities Babylon offers, including the six brand-new replacement tennis courts on the north and south sides of Park Avenue. Do you know there is a greenway stretching from Argyle Lake to Belmont State Park that is perfect for walkers, joggers and bikers? The upcoming 10th Annual *Dirty Sock Run* sponsored by our local Rotary Club will take place along these paths in the upcoming future, with proceeds going to benefit our Village food pantries.

Babylon Village has just had its second migration of Alewives since 1889. The Alewife is a fish of integral importance to the Great South Bay's delicate ecosystem. They are bait for many of the area's cold-water fish like striped bass, as well as fresh water fish such as large mouth bass. In a joint effort between the Village, Cablevision and Seatuck, a Long Island-based environmental conservation organization, live stream cameras have been placed at the Alewife ladder (just west of the waterfall at Argyle Lake) so that students and other interested Suffolk County viewers can witness the migration of the Alewives. This migration is another exciting sign that many of the Village's environmental protection programs are succeeding and thriving.

You all know how proud the Village Trustees and I are of Babylon. Apparently, we are not alone in recognizing how special Babylon Village is to live in, work in or simply visit. Recently, Cablevision created a terrific 6 minute segment highlighting what makes us shine: our natural beauty and resources, booming downtown and local history. The link can be found on our Village website at www.villageofbabylonny.gov. It will make you so proud to be a part of this

Mayor's Message Continued...

amazing community.

On behalf of the Village Trustees - Kevin Muldowney, Anthony Davida, Debbie Basile, Carol Amelia and myself, I send good wishes and health to all. Let us know of any concerns you have regarding the Village. Your comments are always appreciated and your ideas always taken under consideration. We will continue to work tirelessly to ensure Babylon Village is the best it can be.

VILLAGE POOL OPENS JUNE 26 Swim Lesson Sign-up Starts May 16

Trustee Tony Davida is pleased to report that our wonderful Babylon Village Pool will open for the summer on June 26 and remain open daily through Labor Day, offering its usual array of programs. Pre-registration for swimming lessons and pool passes begins May 16 (see registration form on page 5). Family memberships are \$100 and season passes will list each family member residing at the same address. Individual memberships remain at \$50 for adults, \$30 for children, and \$15 for senior citizens (age 62+). Two proofs of residency are required for all passes (drivers license, utility bill). Note: Early Morning Swim will be available only to Babylon Village residents with a special Sunrise Pass for an additional \$30.

CONKLIN HOUSE NEWS...

Trustee Debbie Basile reports that several cultural and educational events were offered at the Conklin House this winter including their third annual *Afternoon Tea* in February to a sold out group. Participants enjoyed savory and sweet treats all prepared by members of the Conklin House Steering Committee, as well as a variety of teas. Though this is an annual event, because of weather issues look for it next in Spring 2016.

In March, the Conklin House hosted a seafood demo and tasting, also to a sold out crowd. Many thanks go to Bill Zeller of Captree Clam for his informative instruction on how to make several delicious dishes and for donating all the seafood. Appreciation also to Maureen Zeller and Roger Holwinski for assisting Bill. Thanks also to The Villager for donating the craft beer. April found the Conklin House hosting their annual *You Gotta Have Art* show featuring the work of local artist Kathryn Herzy. This event included a well-attended Artist's Reception.

Upcoming events:

- **Annual Plant Sale** - Saturday **May 9th**, 10 a.m.-3 p.m. A variety of vegetables, annuals and perennials will be available.
- Throughout the year, the Juliettes, a wonderful community service organization, provides volunteers for several Conklin House events. To show appreciation for their efforts, the girls will be treated to a *Make Your Own Sundae* one evening at the Conklin House in May. This year, several high school boys who helped out at our *Christmas at the Conklin House* event will also be in attendance.

Information on Conklin House events, including the annual *Apple & Arts Festival* will be available in *The BEACON* as details are finalized. The Apple & Arts committee is accepting donations of jeans and shirts (men, women, children) for scarecrow making. So, when you are doing your spring cleaning, please consider donating whatever you're throwing out by contacting the Conklin House at **631-669-8164**. If you'd like to be added to our "Events Alert" mailing list to get information on all Conklin House events, please send a request via email to conklin-house@yahoo.com or call **631-669-8164**.

BABYLON BEAUTIFICATION FAIR - SEPT. 13

Mark your calendars now for the annual *Babylon Beautification Fair*. Over 250 craft vendors along with games, food and a country store will surround Argyle Lake. It's a much-anticipated Babylon Village tradition. *Raindate*: September 20th.

NEW OFFICERS FOR FIRE DEPARTMENT

On April 14, the Babylon Fire Department held its annual Installation Ceremony at Village Hall.

STORMWATER MANAGEMENT UPDATE

The Babylon Village Highway Department is continuing the installation of storm water filter vaults throughout the Village as we progress toward our goal of installing these devices on all of our storm water outfalls which enter surrounding bodies of water. In addition, we are replacing contaminated filter media on an as-needed basis and our testing laboratory continues to monitor the content of the storm water entering and exiting the filter vaults.

Residents are reminded that they can help reduce storm water run-off pollution by disposing of chemicals and waste oil properly at the Village Highway facility; by not throwing yard waste (grass clippings, etc.) into storm drains or stream beds; by using fertilizers and herbicides sparingly; by not allowing lawn chemicals to lay on paved surfaces; and by cleaning up after your pets.

Trustee Debbie Basile asks that if you notice a Village streetlight not working by your residence or business to please call 669-1212 to report it for repair.

VILLAGE GOLF NEWS

Trustee Kevin Muldowney reports that the March 17th opening of the E. Donald Conroy Golf Course at Sumpwam's Creek had to be pushed back a week due to the long and snowy winter. Head greenskeeper Tom Steffan and his crew have managed to bring the course back to great shape and ready for play.

Last year was very successful for the course as more and more people are realizing that Sumpwam's Creek is a great place to work on your short game or launch your golfing career. It's also an excellent venue for small group outings for businesses and organizations.

The women's league begins their 14th season this year while the men's league starts its 12th season. The league's continue to thrive with both groups growing in membership and adding to their various outings and tournaments. Anyone interested in joining either league can contact the golf course.

All senior citizens receive a \$2 green fee discount on weekday mornings from Monday to Thursday. Gift certificates are available for the course; they make perfect gifts for birthdays, graduation or Mothers and Fathers Day and can be purchased at the course or at the Clerk's Office at Village Hall.

Mike Reilly, our local pro will be back for his second year and will be providing lessons and clinics during the course of the year. He will also be holding his summer junior clinic. Come by the course and pickup the latest information on all Mike's programs.

For information on clinics, lessons, outings or any other golf course questions, call Sumpwams Creek at 669-2340.

BABYLON FUN FACTOID...

Each spring and summer, Babylon Village is beautified with over 800 hanging flowering baskets and planters.

FARMERS MARKET RETURNS JUNE 7

The very popular Village Farmer's Market returns to the northern parking area of the Babylon train station. Each Sunday from 8 a.m. until 1 p.m. from June through November, the market features local businesses offering a wide selection of vegetables, jellies, jams, pickles, sauces, plants and much more.

This is a terrific opportunity to purchase farm fresh produce and other Long Island-made goodies while support local agriculture and business.

AROUND VILLAGE HALL

NEWS FROM THE VILLAGE CLERK'S OFFICE

Landscapers: All landscapers working in Babylon Village must obtain a permit ANNUALLY to ensure they are aware of Village rules and regulations. Applications are available at the Village Clerk's office and on our website. *Possession of a permit is NOT a recommendation by the Village as to the quality of the work a landscaper will perform.*

It is the responsibility of property owners to make sure any contractors you hire are properly insured. It is suggested you obtain a certificate of insurance showing coverage.

When you or your landscaping service use a broadcast spreader, please make sure no material is spread into any bodies of water. Also, all fertilizer should land on grass and garden areas not on sidewalks and streets where it will wash into drains. High levels of nitrogen, abundant in fertilizers, are harmful to aquatic life.

Crabbing permits are now due to be renewed and applications are available in the Village Clerk's office as well as on our website. The fee is \$5.00 for Babylon Village residents.

BUILDING DEPARTMENT NEWS

The Building Department reminds all Village residents of the following important regulations:

- Boat storage is not permitted on residential property after April 1st.
- Self-locking gates and alarms are now mandatory for all pools in the Village of Babylon.
- **Pumping swimming pool water into streets or street drains is prohibited.**
- State code requires that carbon monoxide alarms be installed in all new and existing buildings. More information on this code is available at www.dos.state.ny.us/CODE/COAlarm.htm
- All new and altered driveways require Planning Board approval.

For all questions regarding Village building code issues, please contact the Building Department at (631)669-1300.

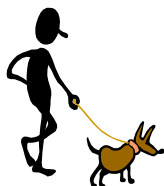

TREE PLANTING PROGRAM

Babylon Village offers its residents a Street Tree Planting program. Residents are required to complete an application to request trees to be planted at the curb line in front of their homes. Applications are being accepted now through September 18 at Village Hall for the November 2015 planting. For further information please call 669-1212.

DOG OWNERS... Please remember there are two enclosed dog runs in the Village: one is behind the south Little League ball field on Locust Avenue and the other is on George Street.

Free doggie bags and disposal receptacles are provided at each location. Dog walkers are asked to help keep our Village clean by picking up after their pets and properly disposing the waste.

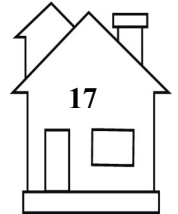

GENERAL SAFETY TIPS

For the betterment of all, please keep the following in mind:

- Circulars left in driveways are a clue for vandals and burglars that a house is empty. If you see these on a neighbors driveway or lawn when they are away, toss them out of sight.
- Please be watchful of strangers in your neighborhood. If you notice anyone suspicious walking around or driving slowly through your area, don't hesitate to call Suffolk County Police.

Please ensure your house number is posted and visible from the street for police, fire and rescue personnel to find in the event of an emergency.

PLEASE REMEMBER!

When parking on the street - *right* wheels to the curb; you are on the *right* side of the street and you are facing the *right* direction.

Also, persons parking on or across sidewalks will be issued a ticket.

NEWS FROM THE SANITATION DEPARTMENT

Please help us better serve you by noting the regulations below. If you have questions about these issues, please call the Village Sanitation Department at 669-4878.

▮ **Yard waste** (leaves, plant clippings, - anything that grows) should be separated from all other rubbish and placed in a clear plastic bag for a separate pick-up on your regular rubbish day. This is a mandate from the Town of Babylon which runs the landfills we use. There can be no plastic pots, plant tags, or other non-green contaminants in the bag with the yard waste or the bags will not be accepted and will be left at the curb.

When putting out **metal objects** for pick-up, you must **call ahead** to advise the Sanitation Department that your item(s) will be out. These include refrigerators, washers, dryers, treadmills and BBQ grills.

▮ Place your rubbish between the sidewalk and the curb *not earlier* than 6 PM the evening before *nor later* than 7 AM on the morning of your collection day, and remove empty containers from the curb. **There is no garbage, rubbish or recycling pick-up on Saturdays, Sundays or holidays.** When rubbish or recycling collection falls on a holiday, please do not put items out for pickup until your regular scheduled rubbish/recycling day the following week.

Residents are responsible for any debris left in the street or at the curb by their landscaping companies. Any leaves or other debris left behind, should be bagged by the resident and placed in your yard until your regular rubbish pick-up day.

S.T.O.P. SET FOR SEPTEMBER

The next S.T.O.P. (Stop Throwing Out Pollutants) Day is scheduled for **September 19th** at the Village Sanitation Department from 9 a.m. until noon. Residents may drop off acceptable household pollutants: latex and oil-based paints, car batteries, household cleaners, laundry products, used motor oil and other items. The Village will dispose of them according to environmental codes.

2015 TAX RATE

Mayor Ralph Scordino reports the Village Board of Trustees will not increase the tax rate for the fiscal year beginning June 1, 2015.

*Tax bills will be mailed on or about May 11th. If you do not receive your bill and your mortgage company does not escrow for payment, call the Tax Receiver's office at 669-1500. If you recently purchased the property, please call the Tax Receiver's office as it takes a few months once the deed is recorded to receive the change of ownership from the County Clerk's office. **Taxes are due June 1, 2015.** Check the legal notice in The BEACON or visit our website in the month of May for a more detailed explanation.*

BABYLON TUNA TOURNAMENT

Trustee Kevin Muldowney announces the *58th Annual Babylon Tuna Tournament* will be held **August 6th through 9th**. The Club is looking forward to an exciting event this year, as they are recruiting other local organizations to be part of the festivities. Music and nautical vendors will make the dock a lively place to visit during the tournament. *The No Request Band* will perform Friday evening as well as *Risky Business* on Saturday evening.

SUFFOLK ANGLERS 4TH ANNUAL SPRING BASS TOURNAMENT JUNE 7

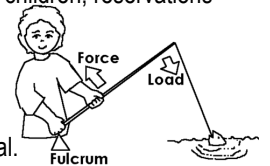

The Suffolk Marine Anglers Club will host their *4th Annual Spring Bass Tournament* on **Sunday, June 7th** with a 6am. shotgun start at the main dock. Fish weigh-in begins at 2:30pm and the last call is 6:00pm. Proceeds will be donated to Hospice Charities. Whether you fish or not, it's a fun event for everyone to enjoy.

JUNIOR ANGLERS: Snapper Derby and Clinic News...

The *Babylon Tuna Club* will host their *1st Annual Snapper Derby Clinic* on the finger pier of the main dock on **Saturday, August 15th** from 9 a.m. til noon. Participants will learn how to fish for snapper, bait lines and learn about our local waterways. Space will be limited to 80 children; reservations required. Applications available at babylontunaclub.com.

On **Saturday, August 22nd** the Club will hold their *2015 Snapper Derby* on the main dock for anglers 12 and under.

The boy and girl who catch the biggest snapper will each win a bicycle and other category prizes will be awarded, such as Most Unique Fish. All will enjoy hot dogs, soda and ice cream. So....hone your skills on the 15th and show off what you've learned on the 22nd. It's a great day for kids and parents and another event that makes our village special.

Swim Instruction and Pool Pass Registration Form on other side.

Please fill out the form on the other side of this card and bring it with you to registration.

Registration for Swim Instruction & Pool Passes
